

IN SENATE OF THE UNITED STATES.

AUGUST 2, 1842.

Ordered to be printed.—To accompany bill H. R. 287.

Mr. BATES submitted the following

REPORT :

The Committee on Pensions, to whom was referred the House bill (287) for the relief of Jeremiah Kimball, report :

The petitioner was placed upon the pension roll as an invalid in 1817, but neglecting to furnish the requisite proof of his continued disability, he received no pension after the act of 1819. In 1839, he was examined by a surgeon appointed by the War Department, who reported there was some evidence of disability produced by a rupture, but it was not satisfactory. He was, however, examined by four other surgeons in his neighborhood, who certified to his continued disability, at the rate of two thirds.

The committee, therefore, propose an amendment to the bill granting a pension, to commence from the 2d August, 1839, the time he furnished his proof of disability; and, so amended, recommend its passage.

Thomas Allen, print.
